## About Sidra Trading Company

Cidra brand is one of the successful companies that is known as one of the largest and most reliable pistachio producers in the Middle East, so that it has been included in the list of successful producers.

The most important goal of our collection is the quality of the products, in addition to the quality and the price, it is another important factor in the purchase that we have been able to deliver the pistachio product with excellent quality and reasonable price to our customers inside and outside the country, and today we can To be the largest supplier in the export market based on the potential of the group.

Pistachios are one of the most delicious and popular types of nuts that have global fans. Iran is one of the largest pistachio producing countries in the world, the quality of these pistachios is so high that it is considered one of the main export items of Iran.

Pistachios are available in the form of skin, without skin, roasted or raw in the Cedar collection, it also has different models, the most famous Iranian models of which are:

Jumbo Pistachio

Ahmad Aghaei Pistachio

Super Long Pistachio

Half-Cracked pistachio

Ohadi pistachio

Yellow almond pistachio

Qazvini pistachio

White pistachio

### Super Long Pistachio

One of the best types of pistachios in Iran is Super Long. This pistachio has elongated kernels and are suitable for use in majalis nuts.

### **Jumbo pistachios**

Another high-quality export variety of pistachio in Iran is Jumbo pistachio. Jumbo pistachio is considered one of the best exported pistachios of Iran due to its coarse appearance.

The ram's head pistachio has no elongation and only has a round and coarse appearance and is considered one of the hazelnut-shaped pistachios.

## Long Pistachio

Long pistachio is slightly smaller compared to Super Long pistachio, and the color of this type of pistachio is brighter and more purple than other pistachios. And its brand in the world is Long.

Cidra pistachios are supplied according to the needs of the customer and the target market, and the customer can order any product according to his needs from our collection.
